

# PHOTOGRAPHY WEEKEND WITH *Thinus van Staden* **STORIES BEGIN AT EYE LEVEL**

**31 JULY–2 AUGUST 2026**

Join acclaimed wildlife photographer Thinus van Staden for an immersive photography weekend at Finfoot Lake Reserve, where every sighting becomes an opportunity to tell a story. Guided by Thinus's philosophy that "Stories Begin at Eye Level", guests will learn how to move beyond simply taking photographs and start capturing authentic moments that convey emotion, behaviour and the beauty of the natural world. Whether your passion is wildlife, birding, landscapes or nature photography, Thinus will share practical techniques, fieldcraft, composition skills, camera settings and creative insights gained through years of experience behind the lens. Set against the backdrop of Finfoot's diverse wildlife, birdlife and breathtaking bushveld scenery, this weekend promises unforgettable sightings, personalised guidance and the opportunity to elevate your photography while reconnecting with nature.
